

Vision:

“Jesus Christ using us to
disciple educators worldwide.”

**We are available to assist in in-service teacher development on both a
spiritual and professional level:**

Strategies:

- ✓ Short, in-service training sessions – to build relationships that are open for long-term involvement through seminars, workshops and conferences.
- ✓ Networking – Partner with schools and teachers connecting them with others to learn from each other.
- ✓ Discipleship courses for Christian Teachers.

Content:

The Heart of the Teacher:

- ✓ Biblical Worldview – investigate problematic ideas in different worldviews and traditions.
- ✓ Personal Creativity – inspire educators to rediscover creativity.
- ✓ Biblical perspectives and integration in all learning areas.

Professional Development:

- ✓ Curriculum Development and Implementation
- ✓ Reading Comprehension
- ✓ Behaviour management and remediation
- ✓ Professional Development in various areas of education
- ✓ Professional help in core learning areas
- ✓ Handling Diversity in the classroom,
- ✓ Developing a love for reading in Children
- ✓ Critical aspects of Childhood Development (including Gross & Fine Motor Development).

Leadership and Management Skills:

- ✓ People management, delegation, differentiation, and leadership.

Mission Statement

“Equipping and edifying Christian teachers for Christ-centered
Education”
