024 ACSI From The Director's Desk | **25th July 2024**

Dear Principals

With more than 4 000km travelled across the Eastern Cape over the past two weeks, I really had the opportunity to take in the beauty of the province. I was also grateful to meet with many principals, to attend two principal meetings and to enjoy two teacher conferences. The second of these was jointly hosted last weekend in East London by Abbotsford Christian School and Christian Centre Abbotsford, and was a very special time, especially as it was the first time that ACSI has presented a teacher conference in East London. Thank you to our gracious hosts and to all who attended.

One exciting development which has been many months in the making has been the complete overhaul of our **IT platform**. The new version will integrate our website, database, online workshops, registration for events, book purchases and much more onto one platform. The website is just about ready and will be transferred to its new site this coming Monday. However, it will take about two weeks for the website and database to integrate completely and as such we ask for your patience during this time. We will then officially launch the site when ready and are sure that you will enjoy the new look and feel of it. Should you have any issues with adding vacancies, logging on for policies, and so on during the transition period please contact the office on 010 597 6679.
